Mark,

I did not see any problem at all with what you inserted.

Both sections XV and XXXI were formatted with the same style as the other sections of the document so the numbering was fine.

All I did was update the TOC. I turned off the track changes first, because leaving it on while updating the TOC creates a huge comment. To update the TOC all I did was place my cursor anywhere within it, right click, choose 'update field', and then choose 'update entire table' from the pop-up.

If I missed something, just let me know.

Ellen

Ellen,

Thank you for your assistance in updating the section headings and TOC for the AOC. The new sections are:

Section XV (NATURAL RESOURCE DAMAGES), p. 19

Section XXXI (COMMUNITY INVOLVEMENT), p. 33

Please let me know if you have any questions.

Thank you!

-Mark
